

CUSTOM DESIGN GRAPHICS™

for AIR CURTAINS

by **POWERED AIRE INC.**

Show Your Patriotism!
Made in the U.S.A.

Powered Aire Inc. invites end-users to get creative with their air curtains with the addition of Custom Design Graphics™.

With this aesthetic option, buyers can request special colors, themes, photographs and even wood grain to make their air curtain **STAND OUT**, or **BLEND IN** with its surroundings!

NEW
State-of-the-art Process!

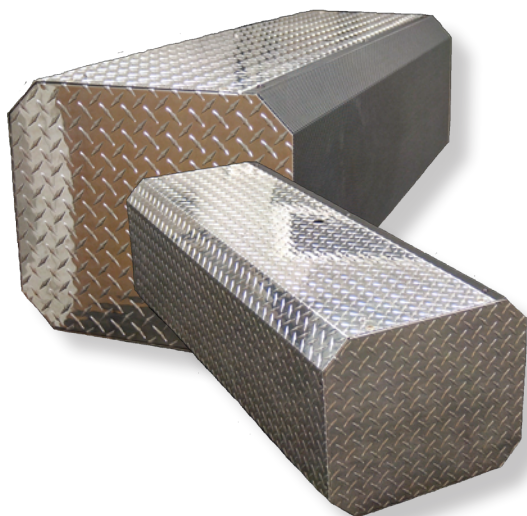

ANY:

**Color, Photo, Graphic
Wood Grain or Design,
University Logo,
Corporate Logo,
Sports Team Logo!**

on any air curtain!

The sky's the limit!
St. Louis Skyline

Diamond Plate
AIR CURTAINS

A Powered Aire air curtain case constructed of eye-catching diamond steel plate is perfect for industrial settings, auto showrooms and service areas, garages, sports bars and all other places auto buffs like to hang out!
